you're the kind of mess i like to get myself into  
and it feels like shit when i'm bound to  
someone who couldn't care less  
i'm stuck in your nest, can't get out, can't get out

you know i know how to make you want me  
you know i know the way you like to be pleased

i got it, i got it, i got it until i drop it  
i just wanna keep on dancing  
i got it, i got it, i got it until i loose it  
why does it keep on hurting  
when i just wanna keep on dancing

you give me the sex i want, baby, body upon mine  
such a rush, you make me blush, come inside  
hurry, 'cause i'm almost there  
we scream each others names, coming, coming

you know i know how to make you want me  
you know i know the way you like to be pleased

i got it, i got it, i got it until i drop it  
i just wanna keep on dancing  
i got it, i got it, i got it until i loose it  
why does it keep on hurting  
when i just wanna keep on dancing  
i wanna keep in dancing

i told you i was about to love you, i said i wanted to  
i told you i needed you, i was in love with it all  
but i have to move on, now that you're gone  
i just wanna keep on dancing

i got it, i got it, i got it until i drop it  
i just wanna keep on dancing  
i got it, i got it, i got it until i loose it  
why does it keep on hurting  
when i just wanna keep on dancing  
i wanna keep in dancing  
i got it, i got it, i got it until i drop it

i just wanna keep on dancing  
i got it, i got it, i got it until i loose it  
why does it keep on hurting  
when i just wanna keep on dancing  
i wanna keep in dancing
