cant count the times
i've hated you
or the day's i've waited
for an answer
from you

i haven't left our place
or your embrace
and i still carry our dream
like it was yesterday

and i fear for the day
you'll see me
in all these chains
holding on like i used to
maybe then you'll know
it's true, 'cause
i'm still in love with you

can't count the hours
i've needed you
the time's i've wondered
will your stay
or will you go

you haven't left my heart
you're still close
and i wear our memories
like it was yesterday

and i fear for the day
you'll see me
in all these chains
holding on like i used to
maybe then you'll know
it's true, 'cause
i'm still in love with you

i'm still waiting for you to come to bed
to hold my hand when it hurts
and to give me the words

i've been longing for

i love you

i fear for the day
you'll see me
in all these chains
holding on like i used to
maybe then you'll know
it's true, 'cause
i'm still in love with you
i fear for tomorrow
for a new day
in all these chains
i'm caught in missing you
maybe now you know
it's true, 'cause
i'm still in love with you

i'm still in love,
i still love
you
