I Want To Be Your Spy by Maurice John Vaughn

Wanna be your spy
I wanna be your private eye
Wanna be your spy baby,
Wanna be your private eye
Wanna take care of your undercover business for you
Ooh Lord just wanna take care of you
And be your spy
Gotta be your private eye

Come here baby
Gotta investigate
Under the cover
Wanna be bigger than Watergate
Please don't confuse me
With the facts
I go by gut feeling
And I like it like that!

Wanna be your spy
Wanna be your private eye (let me tell you baby)
Wanna be your spy
Wanna be your private eye
I wanna take care of your undercover business for you
Ooh Lord just wanna take care of you
And be your spy
Baby gotta be your private eye

That double-oh-seven
He's outdated
But I'm the real thing baby
I'm gold plated
That old guy Columbo,

I gotta tell you baby, he's got to go
And be your spy
I wanna be your private eye (I know I've told you before)
Wanna be your spy baby
Wanna be your private eye
I wanna take care of your undercover business for you

Ooh Lord just wanna take care of you
And be your spy
Baby gotta be your private eye

I don't think about
Yesterday's news
I'm out here making
Tomorrow's news
I never get held up because of the weather
I won't cancel out, no no never
I wanna be your spy
Wanna be your private eye (let me tell ya)
I wanna be your spy baby
Wanna be your private eye
I wanna take care of your undercover business for you
Ooh Lord just wanna take care of you
And be your spy
Baby gotta be your private eye

I don't want it to be a shock
I just wanna trigger your nature clock
It's time for lovinc12
