[Mausberg]

Yeah, for real

Now when I bounce through the club, baby

Suits and boots on gleam, order some White Star for
my whole damn team

I'm a big black pimp with a G limp

Gettin' down down down tonight but don't slip

Platinum Visa buyin' out the whole damn bar-a

Limelight hoes wonderin' who we are-a

Got a flock a bad bitches that be callin' me honey

Y'all niggas still mad cuz I'm shakin' my tummy

But fuck it, I'm a real nigga, got a keep a thrill wit' it

Order five more bottles of Moet and y'all kill it

Top rank, gotta smoke dank when I drank

Key smoke got a motherfucked wired, can't bank

Keep it way fly, nottin' at the bar that I can't buy

Thats are all in line, hunderd CVR-a's outside

And we lookin' for freaky broads like y'all

Down and dirty, ready for dick in your jaws, aw

Chorus:

If you want it (get nekkid)

We got what you need (get nekkid)

If you need it (butt nekkid)

We got what you want (take your clothes off)

If you want it (get nekkid)

We got what you need (butt nekkid)

If you need it (get nekkid)

We got what you want (take your clothes off)

[Mausberg]

Gotta make it wet, put it in your poontang

Hit it hard baby, when it's pain it's game

I'm a rough nigga, and I love a tough fuck

Push it in your back until your wall's all up

Put my belly on your buttcheeks, hold your hips

And I'll be fuckin' til I bus about six

I'm a freak nigga and I don't need ex

Fuck the bad bitch then I'm off to the next nympho-
maniac

Weed and Cognac, gettin' my dick sucked in a black
Cadillac

Yup, I'm on one, matter fact I'm on two

Take it out your pussy, put it in your dook shoot

Nasty boy, just like B.I.G.

Got the coochie huffin' and puffin' a monkey like me

Tell it to your homegirls, tell it to your friends

You wanna get freaky, you can come on in

I say....

Chorus

[DJ Quik]

Let's do it like no other niggas out here do it like we do

Get it wet like a Sea-Doo, with pussy to preview

Give it to Mausberg and give it to me too

Give it to Crawf Dawg, and make 'em see-through

Panty lines, I make 'em shine

I'm fuckin' you from 9 to 9, until way up through the
afternoon

In the kitchen, in the bucket or in the bathroom (I'll
make you cum)

Did my last album get the grown ups?

Now it's time again to get my bone up

Wanna kick me out the industry for tryin' to do good
(what?)

Y'all don't wanna see me hungry and broke and back in
the hood

Cuz I'ma get all you niggas that ain't paid dues

Gaffle your watch, platinum chain and shoes

And that goes for you hoes too

Better check it nigga, buy my record nigga

Or get nekkid nigga

Chorus x2

[El DeBarge]

Take your clothes off, yeah

Take your clothes off, yeah

Come on baby

Come on darling

Come on baby
