Why can't I break down on the metro?  
You know I wanted, from the get-go,  
And all I wanted, was just to let go now.

Why can't I go back where I started?  
I'm coming home now, broken hearted,  
I'm all alone now, and all I wanted... yea.

But how could I go spending my money,  
When I know it's not even funny, yea  
They're buying you, they're buying me.  
Cuz I can't help but feel a bit smaller,  
Obsessed by me. Obsessed by the dollar sign,  
I sigh, ba da da da da...

When I think about how it must be,  
I only wish that, that you'd trust me,  
And everything yea, yea it'd just be fine.  
And when I think about all my friends now,  
I wanna cry, I'm thinking ends' now.

The years go by, there's different trends now yea.

But I can't help but feeling rejected,  
When I'm told my opinions affected.  
Yea, you've heard it before? I bet you know the score.  
And I can't help but loose motivation,  
When I sit and drown in frustration,  
And I just want to scream and shout.  
And I just want to scream and shout.

Lalala...

Why can't I go back where I started?  
I'm coming home now, broken hearted,  
I'm all alone now, and all I wanted... yea.

Was just a place in time where I'm feeling fine,  
Where I'm not dragged down,  
Where I've got peace of mind,  
Where a breath of air isn't so hard to find,

And rewind, I'm... there?
