I can't believe, just if I don't have as much money as  
You  
I'm not entitled to as good food, health or education.  
Can't we try to agree on basic fundamental rights, now  
Can't we  
Try to take some steps towards living in a civilization?

I can't believe they've got the gall to say we've all got

Equal rights,  
Under the vise that the field levels if you just work  
Harder,  
This assumption that the system works for any person's  
Way of life,  
That if you fail, then you're not motivated, well I just  
Don't think it's very nice.  
Mice.  
Rice.
