We have only begun to fight,  
It's always darker before the light.  
We must take control of our destiny,  
Come join our struggle and fight to be free.

Fight to be free  
I've got to be free

My brother, my sister I will die for you,  
And in my heart I know you're true.  
Before dishonor I will choose death,  
To die a skinhead is the ultimate test.

Protect the blood, defend the faith,  
Know no guilt, feel no shame.  
Good against evil and the powers that be,  
Come stand together and fight to be free.

The western world is in decline,  
Just like the Roman empire when it started to die.  
Prepare yourself for anarchy,  
Or join our cause and fight to be free.
