Last week you slanging and banging and holding your motherfucking dick

And this week you trying to be positive and shit

Fuck you sorry motherfuckers

You suck our motherfucking dick

You soft sissy punk ass pussy motherfucker, you

Verse 1

[L]

Now, my man out fucking another bitch

Gonna come home and serve me his leftover bullshit?

But I'm not the type to get mad, I get even

[L & TM]

Kick him out, bitch!

[L]

Yeah, 'cause I ain't leaving

Rush to the bank, withdrew all his cash

And a bitch like me got a foot on his ass

Now I'm out to get what I can

It's a hard enough world, so Fuck A Man

See, I don't give a damn about another

'Cause another ain't my brother, and my brother's a sucker

[Young Child]

I don't want my daddy to be a sucker

[L & TM]

Yeah!

[L]

He was a sucker

He was a punk ass, lowlife, yellow motherfucker

Then he dissed, I had to get a payback

And bust a cap in his little fucking yellow back

When I snatched him, I was high as shit

And you wore the Prada, bitch

Don't get me wrong, because I love you  
And don't ever let a motherfucker tell you  
About the day that we got paid  
Connected the I.N.S. where he laid  
Down in a bed with a stiff dick  
And the bitch start plotting shit  
Yo, I told him: wear plastic  
But he said he couldn't feel it  
Great fate, my period already late  
[L & TM]  
Put him on a hook, bitch, serve him like bait  
[L]  
A tip from my lip: don't step to me  
'Cause I'm a get your money, B  
I don't give a fuck if you can't understand  
Here's how I'm living  
[L & TM]  
Fuck A Man

Chorus:  
[L & TM]  
Fuck A Man  
(4X)

Verse 2:  
[TM]  
Yeah, I was walking like I do I treat my man like a bitch!  
I make him cry, and all that shit  
I spend his money 'cause I know he's just a sucker  
Take a key to his Benz and go fuck another brother  
[L]  
Tanisha, word?  
He don't say nothing?  
[TM]  
Picture that nigga saying something!  
So I step inside when I finish bugging  
Out all night,, with another nigga fucking  
[L]  
Did you even feel guilty?  
[TM]  
Hell no, bitch!  
Cause fucking that nigga, I just ain't with  
Il let him lick, do I look dumb?  
He spent the night sucking that other nigga's cum!  
I don't give a fuck who can't understand  
Here's how I'm living  
  
[L & TM]  
Fuck A Man  
(2X)

Verse 3:

[TM]

Yo Lyndah

Niggaz is getting scared 'cause you let them bitches  
do they shit!

Why don't you drop something for those

"Too black, too strong, too positive" motherfuckers

Who was just last week slanging and banging and  
holding they dick

And this week they all positive and shit

Fuck them niggaz up, Lyndah!

[L]

A positive man, they ain't no such thing

They only good for one thing: b-b-banging

Always down to drop science, and preach to each

[L & TM]

Ask them if they paid their child support last week!

[L]

Kick it, 90% fact, to answer the truth

I'm gonna school you

Tell you what my daddy do: nothing

For something he could never get

And all I could see was the back of his head when he  
stepped

After all these years, he got sick and died

Not a fucking tear fell from my eye

So no matter how they drop it, stick it in your pocket

'Cause I got some land, two trinkets and a locket

To sell you

They only out for self, trying to teach

[L & TM]

When they need help?

[L]

Now a positive sister, now I can relate to

Single parent homes is what the world came to

So savor the favor, it's just a sample

But check it, another example

They yell, "black, beautiful, fight, unite"

But you took a black woman in check with a white

You say you're proud to be black, and then stand tall

But in the videos they ain't no sisters at all

You're all a bunch of sell-outs, fakes and frauds

If it ain't for the money, it ain't for nothing at all

Overnight black man, yeah my heart moves

But you're all piss colored, with something to prove

Now Dre said it best, you got acne

Your words mean exactly shit!

[TM]

Exactly

[L& TM]

So Fuck A Man

Verse 4:

[TM]

So Fuck A Man, it never cease to amaze me

I think all the motherfuckers are crazy

Last week my man tried to pay me

When I told him I was having his baby

He got mad, and act like a dick

[L & TM]

What you gonna do?

Keep the shit!

[TM]

And haul his stupid ass down to court

[L & TM]

Make the nigga pay all that child support

[TM]

Don't run and cry to your mother for bail

[L]

Motherfucker, your ass going straight to jail

Eighteen and life, that's your ass

Spend the next 20 years of your life paying cash

Pay to a motherfucker bitch you hate

But a sperm is a terrible thing to waste

I heard you say, "yo, I'll never work"

You'll be a broke motherfucker, you dumb ass jerk

Amount to nothing, you'll ask why

Why the fuck I stick my dick inside?

Was it worth the pussy, or even a cum?

But yeah, motherfucker, you sure had fun

You're the worst motherfucker nightmare come true

You fucking fool

Now I hope everybody understands

Why B.W.P. say

[L & TM]

Fuck A Man

(repeat and fade)
