L = Lyndah

[L]

Make like Moses and part my pussy like the Red Sea  
And slide your fat tongue inside of me  
Eat this motherfucker like it's a raw dish

[Man]

So what you want me to eat?

[L & TM]

My pussy and shit

[L]

Before my pussy like a fresh ripe mango  
And drink it on down like a wino drinks tango  
You mumble "tell me when you're about to cum"  
But don't stop, motherfucker, 'cause I ain't done  
So get the whipped cream and the blueberries  
No need for a cherry, 'cause I bust one already  
You said you never felt it when I came  
'Cause you was swallowing my discharge like a  
goddam drain  
Slurping and licking, licking and slurping  
You ain't getting no pussy, so you better start jerking  
'Cause this lesson here might take all night  
So on your knees, motherfucker, and eat my pussy  
right

I take your legs, wrap it 'round your head  
Suffocating this bitch 'till he's almost dead  
I don't give a fuck, cause I'm trying to get off  
Homeboy, himself, wasn't taking a loss  
When I looked down, he had his hand on his dick  
I could not believe he was masterbating and shit  
What a day

[L & TM]

What a day

Like Frosted Flakes

[L & TM]

Like Frosted Flakes

It tastes great!

[L]

My pussy was gooping like cottage cheese

His mouth was dripping as he stood to his feet

Now the motherfucker wanna bust a nut

What do you tell him?

[L & TM]

He out of luck!

[L]

I got my shit off, and now I'm done

So get your funky ass out 'fore I get my gun

He started dissing 'cause he had to leave

He said, "fuck you bitch, and your hair weave!"

So before he starts out in the middle of the night

Make sure you taught that motherfucker how to eat  
your pussy right
