Sometimes you try so hard  
To stay in control, why?  
Your in and out  
Up and down  
Oh and the way it's goin right now  
It's falling apart  
I'm goin around all over town  
Crying out

If We're Broken Glass  
I'll find the pieces back to you  
And if this Broken Glass  
Won't pull together I'll turn to glue  
And if this glue won't hold  
I'll turn to gold  
And shine for you

I'm overdone feeling this heartache  
But I just can't wait  
For u to go  
All the way  
Don't you know  
Your the part of my soul  
N you told me  
That we'd be a novelty

If We're Broken Glass  
I'll find the pieces back to you  
And if this Broken Glass  
Won't pull together I'll turn to glue  
And if this glue won't hold  
I'll turn to gold  
And shine for you

Baby  
I can only do so much  
Don't tell me that for you I'm not enough

If We're Broken Glass  
I'll find the pieces back to you  
And if this Broken Glass

Won't pull together I'll turn to glue  
And if this glue won't hold  
I'll turn to gold  
And shine for you
