I know I can't hold back this feeling I have inside me  
I know I can't hold back this feeling I have inside me

You know I, untape it, break it, put it in my pick up  
Straight drop is good, put it in the hood, you know I  
fuckin bleed them  
50 blocks you know I sell em, 50 shots you know I hit  
them  
Homicide tryina find they witness  
Get your nose about my bizness  
This feeling I get when nobody shit  
Can't hold back spitting this shit  
Condos, cars, all these ...mall,  
Tattoos on my neck, tattoos on my arm  
Take a day now, brother by a homie  
I got 3 mill and my grandma's ...and my brother's  
oldest from cocaine ball out  
Motherfuckers to the fish show up, big leech  
motherfucker  
I ain't selling bricks so fuck a undercover  
Brick on the rent, bowtie on the rims,  
Drop top charger pop trunk and shit  
I'm a prowler on the coup, same color on the rez  
Get more rubber bands, get more duffle bags  
Cause I sorta on the thangs, we ain't going home yet  
Till my baby mama coming here, count this shit  
Cause we ain't going home till we count this shit

I know I can't hold back this feeling I have inside me  
I know I can't hold back this feeling I have inside me

I can't fight the feeling, all this balling  
Amg kid the benzes, I'm crawling, 2.2 off the scale  
I'm tossing  
Dope boy authentic like a retro Jordan  
Sweat shirt and hair and bone like too shorted  
2012 version of too short bitch  
Portraits in my fortress, cost 40 grands they caused it  
That's art money, you don't give a fuck, but that  
painting inside  
Where the vote is

Porsches, I got up nauseous, stay talking that raw shit  
We throwing bread at them bird bitches,  
They fighting over like vultures  
Louis Vuitton in my home closet, fuck you talking bout  
foreign deposits  
You came for now, I fly them in, you gotta sign for em,  
but they won't drop it  
Now boy stop it, my bitch shopping  
My niggas copin' these continentals, these tops  
dropping  
No doubt we showin out, they show an tell  
Middle finger to you hating niggas and the feds too,  
they can go to hell

I know I can't hold back this feeling I have inside me  
I know I can't hold back this feeling I have inside me
