Another day, taken away, high away, high away you
It's just like when you all used to think I was
Afraid to see, the end, the end of me, I wait for you
To show me the way
I find my breath, inside of you, taken away from me

Moving on just to find my passion, reaching out in
Aggression
I've seen this all before
Spitting on each other, raping one another
I feel fucked

So you see that I'm not afraid, everything you've taken
Away
I have found inside your eyes, I adored you
You'll see you'll find the end, the end, of me, I wait
For you to show me the way
I find my breath inside of you, taken away from me

Moving on just to find my passion, reaching out in
Aggression
I've seen this all before
Spitting on each other, raping one another
I feel...

You wanna take it to the bone
You wanna take it to the bone
You wanna take it to the bone
'Cause I ain't taking anymore

You wanna take it to the bone
You wanna take it to the bone
You wanna take it to the bone
'Cause I ain't taking anymore

You wanna take it to the bone
You wanna take it to the bone
You wanna take it to the bone
'Cause I ain't taking anymore

You wanna take it to the bone

You wanna take it to the bone
You wanna take it to the bone
Cause I ain't taking anymore

(Unintelligible singing)

That was better than before though, don't you think?
(Spoken)
