Life is so strange when you don't know  
How can you tell where yore' going to  
You can't be sure of any situation  
Something could change and then you won't know

Ask yourself where do we go from here  
It seems so all to clear  
Just as far beyond as I can see  
I still don't know what this all means to me

Tell yourself I have nowhere to go  
I don't know what to do  
And I don't even know the time of day  
I guess it doesn't matter any way

Life is so strange destination unknown  
When you don't know your destination  
Something could change it's unknown  
And then you won't know destination unknown

Life is so strange destination unknown  
When you don't know Your destination  
Something could change It's unknown  
And then you won't know destination unknown

You ask yourself when will my time come  
Has it all been said and done  
I know I'll leave when it's my time to go  
Till then I'll carry on with what I know

Life is so strange destination unknown  
When you don't know your destination  
Something could change it's unknown  
And then you won't know destination unknown

Life is so strange destination unknown  
When you don't know your destination  
And something could change it's unknown  
And then you won't know destination unknown

Life is so strange [repeat 8 times]
