Hey Girl,
Before you walk out that door,
Just give me that one more chance,
And hear me out

She was only 16 years old
When I first met her
In the lobby of a compact hotel
I got to know her

Thinking back to the days in my life
My heart breaks down
It seems like just yesterday (yesterday)

Leilani, are you walking out the door?
Are you walking out my life?
Baby, are you walking out the door?
You're the light of my life

You're in my life--to be my wife
Baby please (baby), can't you see? (can't you see?)

You kept your love above ground
So I realized
This love can not go unfound
Baby, I can't keep away

Leilani, are you walking out the door?
Are you walking out my life?
Baby, are you walking out the door?
You're the light of my life

You're in my life--to be my wife
Baby please (baby), can't you see? (can't you see?)

Heaven look you head on your face
Gave me a reason--I had to cooperate
But yet, and still I have faced (so baby tell me)
This flame is burning so fast (we have no time)
Oh baby, I want this to last
The pleasure is mine--I'm pleading baby

Leilani, are you leaving me now?
(Don't leave me, baby)
Oh baby, are you walking out the door?
Leilani, are you going away?
Are you leaving out my life?

You're in my life--to be my wife
Baby please (baby), can't you see? (can't you see?)

You're in my life--to be my wife
Baby please (baby), can't you see? (can't you see?)

Baby Girl,
Go on here and walk out that door
But, I want you to always remember
That I'll always love you
Remember the times we spent together, girl
The times we had fun,
And the times we made love
Always remember those things,
And cherish them with all your heart
'Cause you know
I will always be there for you, baby
I want you to know that
I'll always be there
Take care,
'Cause you know I love you
I really do
