Siiiiilence
i don't want to hear
any more words from you
giving me pain, that's all you'd do

siiiiilence
you want me back
but all you said was just one act
o your words are worth more than tears
o so i fear

i don't love you
i don't want you
i just want you to leave me alone
i want Silence

i loved you more than i ever could
but now your a fake
nothing i'll take
for goodness sake

i want silence
i want peace
i want nothing from you

Siiiiilence
i don't want to hear
any more words from you
giving me pain, that's all you'd do
