You (8x's)

My phone's not ringing, my door bell isn't singing  
My bed is empty, My friends says all I do is cry  
Because you left me and you didn't even want me  
I'm lost and lonely, can't live without you

Chorus:

You

Every beat of my heart, everyday of my life  
Every thought on my mind  
Every second, every moment

You

Every still of the night, every romance goes right  
Every dream I deny  
Every second, every moment

You

Every beat of my heart, everyday of my life  
Every thought on my mind  
Every second, every moment

You

Every tear that I cry, every hope in my mind  
Everything that I hide  
Every second, every moment

You

Every second, every moment: You (3x's)

I'm hearing footsteps outside my door I get up  
A voice is humming, a tune that's sounding like  
"goodbye"  
I know I'll find you, no matter where you're hiding  
And so I wish for a chance to find you

Chorus

You (9x's)

Chorus

You
