Hearts, boy, he's a beast, I will lose control
With my hands on the switch,
Turn me on and make me feel like a bitch
Hearts, boy, he's a beast, I will lose control
With my hands on the switch,
Turn me on and make me feel like a bitch

Chorus:

Love me, put your hands around me
Let me see your body, let me taste the sin between us
tonight
Love me, put your hands around me
Let me see your body, let me taste the sin between us
tonight
Tonight, tonight, tonight

Red lips, I'm the one who'll make you feel like this
Wanna feel your skin
Wanna taste every drop of the skin
Red lips, I'm the one who'll make you feel like this
Wanna feel your skin
Wanna taste every drop of the skin

Chorus: (x2)

Love me, put your hands around me
Let me see your body, let me taste the sin between us
tonight
Love me, put your hands around me
Let me see your body, let me taste the sin between us
tonight
Tonight, tonight, tonight
