So, now you got my attention  
Put your guns on the ground  
I now you need affection  
You're gonna get it now  
This is a new religion  
With an old name  
So, do you wanna be part of  
The city of love?

With love, with love, with love, with love

Hook:

I can feel the love  
Like a hurricane  
And it feels me up  
Running through my veins  
So love, love, love, love, love, love  
Love is all that matters.  
I can feel the love  
Like a hurricane  
And it feels me up  
Running through my veins  
So love, love, love, love, love, love, love.

So, now you got my attention  
Put your guns on the ground.  
I know you need affection  
You're gonna get it now.

This is a new religion  
With an old name  
So do you wanna be part of  
The city of love.

Hook:

I can feel the love  
Like a hurricane  
And it feels me up  
Running through my veins

So love, love, love, love, love, love  
Love is all that matters.  
I can feel the love  
Like a hurricane  
And it feels me up  
Running through my veins  
So love, love, love, love, love, love, lo-ve.

So, now you got my attention  
Put your guns on the ground.  
I know you need affection  
You're gonna get it now
