one beat, 2 beart, 3 beat , my feelings (my senses) my heart is crazy in love
one kiss , 2 kiss, 3 kisse's on my cheeks my heart wants you to be in my house
yes yes the cheeks are tasty
when my tears cry from pain
yes yes the heal is only the lover
when he/she puts the kiss on my cheeks

desire
in doesnt put a feet in my heart
you know his job is to runaway
after you theres no other desire
you came and the desire is going crazy
yesssss im in love

you came to me and became my everything
you became the welcomed visitor of someone with nobody
its running away from me desire
yes im in love
