Mayhem:

It's Caliente, guess who's F'in' up the game  
Now we coming to America, steppin' off the plane  
Usually what we on, luggage by Louis Vuitton  
I blow spots like a nuclear bomb, BOOM  
And bring speeds that will cause ya harm  
Cruise control, we get our auto on  
Doin' 200 on the Autobahn  
Ya boys test us, please, that thought's reckless  
I'm in the zone, king of the throne, you Court Chesters  
Flatter me, don't throw blows at your majesty  
The snubnose will pump holes like a cavity  
When May and Mega see you, go get your people  
We'll have rapper's hoods lookin' like it's medieval  
May will starve to get it  
Like big flames, flip caine, move half on credit  
I get brain from thick dames way you past pathetic  
The 6 Range switch lanes, I'm way past you fellas  
Or in that gray six that look like a spaceship  
The one, Matrix, fix the grill like a facelift  
I'll get you bastards shot  
Invest in bonds, you niggaz is laughin' stocks, haha

Mega:

You can find me where the goons are  
I'm the renegade that bubble like lemonade and none  
of my goons spar  
What you gonna do huh, you already heard me  
Now we coming to America like Eddie Murphy  
From London to the ghettos of New York  
Two women in front, dropping rose pedals as we walk  
I got a cocky flow, men wanna copy, no  
We Hakeem and Semi, you can ask Jaffe Joe  
Take over the world like Pinky and The Brain  
While I skeet over your girl, the pinky gimme brain  
See my Range like a tank is out  
Chain like an anchor now  
Fuck ya lames, Blood, ain't nuttin' change but my bank  
account  
And I got songs, so it's not long  
Log on S-A-S Diplomats dot com  
Six free, that's me, yeah I'm that raw

You small like a rat for, what you brothers rap for  
Oh you wanna act raw, till I spark shotties  
Have him laying in a morgue, now he hardbody  
'Fore he was live, now he a dead guy  
Mega's down to earth but still I'll let the lead fly  
And if I ain't packin' the lead  
I got suttin' that ain't from ATL but it's hard with a  
jagged edge  
I'm reppin' well, Mega will never fail  
Yeah I'm married to this game, hear the wedding bells

Mayhem:  
La-la-la-ha-ha-haaaa  
Ha-haaaa  
La-da-da-da-da-da-da-da
