nothing but some passion they loving up the fashion
caught up in London they stuntin in the back in
in tight of a good.. a nigga ..hoping upt he wagin
they.. the G saggin you roll G club
we all.. in the biggest these niggas
the ground floor chase what they mind for
the big ..money grand hores
now they wanna snap back and search..
..back em up
the old homie dot the ..trimmin
high perfuse and ..I'm high winnin
ah report life in the barbecue
cooking tongue the ..of all your chase
int he art of shoe
off the zoo money on my mind
listen in the court
listen dear I..leave the swag alone
take flight to enemies ..cash in Rome and check the
room
things getting ..and check the room ..see a rag and
bone
..seem appetite and get this cake
if you skip today we contract killers nigga we gonna hit
the make
homie run way with arm in the brag
futuristic steve you have ..
portraits in my landin
on the G four landin and landin
become a full ..I'm such a league
they see us ..I rock with chiffa
we feature a couple thieves
