Its been a bad day.
But tonight my love,
It only gets worse.

Its been a bad day.
But tonight my love,
It only gets worse.
It only gets worse.

Oh you never said there was anything
Oh you never said there was anything wrong
Oh you never said there was anything, anything wrong,
Oh no

Im in a bad state.
But tonight my love,
It only gets worse.

We're in a bad way.
But tonight my love,
it only gets worse.

Oh you never said there was anything
Oh you never said there was anything wrong
Oh you never said there was anything, anything wrong
Oh no, noooo

Empty and conflicted.
but tonight my love,
It only gets worse.

Haunted by the victims.
But tonight my love,
It only gets worse.
It only gets worse.

Oh you never said there was anything
Oh you never said there was anything wrong
Oh you never said there was anything, anything wrong
Oh no, noooo
