Feels like the raindrops..

Mesdames, monsieurs,
Le disc-jockey Sash! est de retour

Feels like the raindrops..

Encore une fois

Hold my hand let's chase the sun,
We both know something's begun,
Nothin' feels that real without you,
Wanna learn so much about you,
Shining star I've seen your face,
Everything falls into place,
Nothing else seems to matter

You bring me to life

Feels so lonely,
Won't you show me,
Where I need to be,

You bring me to life

Encore une fois!
Encore une fois!

Feels like the raindrops on my skin,
You reach me somewhere deep within,
You make my body come alive

Encore une fois!
See it burning in my eyes,
Don't want words,
Don't want no lies,
They say more than what is spoken,
Promises always get broken

Feels so lonely,
Won't you show me,
Where I need to be

You bring me to life

Mesdames, monsieurs,
Le disc-jockey Sash! est de retour

You bring me to life

Encore une fois!

Feels like the raindrops on my skin,
You reach me somewhere deep within,
You make my body come alive

Encore une fois!

I whisper things you never knew,
I can't believe that tonight i'm here with you,
You make my body come alive

Encore une fois!
