Haha, Deejay Sash  
Is about to rock the block

Rock the block

If you're dancing all night  
?Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop

Rock the block

If you're dancing all night  
?Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop

Rock the block, yeah  
Rock the block

Haha, Deejay Sash  
Is about to rock the block

Rock the block  
Rock the block  
Rock the block

If you're dancing all night  
?Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop

Rock the block, yeah  
Rock the block
