I don't know where I don't know how But I only know that one day we'll be together again And I don't know where I don't know how But I only know that one day we'll be together again It's been a long long time since I left you all alone But you know I had to go Far away from you I'll walk in this wasted land No one to take my hand Tell me why you came that way I don't know why I don't know where I don't know how But I only know that one day we'll be together again And I don't know where I don't know how But I only know that one day we'll be together again Siden jeg gik fra dig Fles tiden lang og hrd men jeg tror jeg kommer mig for tiden lger sr Jeg ved ikke hvor ved ik' hvordan men jeg hber kun at du en dag vil vre hos mig igen. Nej jeg ved ikke hvor ved ik' hvordan men jeg hber kun at du en dag vil vre hos mig igen

I don't know where I don't know how But I only know that one day we'll be together again And I don't know where I don't know how But I only know that one day we'll be together again But I only know that one day we'll be together again And I don't know where I don't know how but I only know that one day we'll be together again
