Sweat

Sweat

You got me there where you want me
You got me there where you want me
You got me there where you want me
You make me sweat, make me sweat

You got me there where you want me (sweat)
You got me there where you want me
You got me there where you want me (sweat)
You make me sweat, make me sweat

Sweat

You got me there where you want me
You got me there where you want me
You got me there where you want me
You make me sweat, make me sweat

You got me there where you want me
You got me there where you want me
You got me there where you want me
You make me sweat, make me sweat

You got, you got me
You got, you got me
You got, you got me
You got, you got me

You got, you got me
You got, you got me (sweat)
You got, you got me
You got, you got me

You got, you got me
You got, you got me
You got, you got me
You got, you got me

You got, you got me
You got, you got me

Ooooooh
Ooooooh
Ooooooh
Ooooooh

You got
You got
You got
You got

You got

You got
You got, you got me
You got, you got me
You got

You got me there where you want me
You got me there where you want me
You got me there where you want me
You make me sweat, make me sweat

You got me there where you want me
You got me there where you want me
You got me there where you want me
You make me sweat, make me sweat

You got me there where you want me
You got me there where you want me
You got me there where you want me
You make me sweat, make me sweat

You got me there where you want me
You got me there where you want me
You got me there where you want me
Make me sweat, make me sweat

Sweat

Sweat

I'll take you there
