Come on little Darling be mine  
Is it true that you worry about  
The things I do for you  
I will always be on your side  
So just move a little closer  
And everything will be alright

Take my hands  
Won't you take my hands  
Darling, take my hands  
And fly away  
And darling, take my hands

Does anybody know how I feel  
Finally we can make it  
I lead you to a brighter day  
Every time I look in your eyes  
My heart is beating faster  
I never ever tell you lies

Take my hands  
Won't you take my hands  
Darling, take my hands  
And fly away, yeah, yeah  
Darling, take my hands

Can I hold you in my arms tonight, ohâ€¦  
And I'll be everyone you need  
Words cannot express the way I feel  
I wanna give you all the love that I've got  
If you take my hands  
Oh, take my hands

Take my hands  
Won't you take my hands  
Darling, take my hands  
And fly away, hey, yeah

Oh, oh, take my hands  
Won't you take my hands  
Darling, take my hands

And fly away, hey  
And darling, take my hands, oh  
Hands, won't you take my hands  
(Take my hands, no)  
Hands, won't you take my hands  
(Take my hands, yo, oh)  
Hands, won't you take my hands  
(I said you can, oh, take my hands, yeah)  
Hands, won't you take my hands  
(Come on, baby, take my hands)  
Hands, won't you take my hands  
(Let me body get cold, yeah, yeah)  
Hands, won't you take my hands  
(Oh, take my hands)  
Hands, won't you take my hands  
Hands, won't you take my hands
