This is the trip,
The game that we play,
Looking for meanings,
Drifting away.
Music's my language,
And all I can say,
Is that you are the ride,
That takes me away.

Takes me away (repeat 4 times)

Chorus
This is the trip,
Game that we play,
Looking for meanings,
Drifting away.

Music's my language,
And all I can say,
Is that you are the bomb,
That takes me away.

(takes me away)
