The well-fed say look in the mirror  
If you want to know why we go bad  
Change your ways  
Look in your heart  
Look in your soul

The world is cruel because people are cruel themselves  
Just look inside and let a little sunshine in  
Look in your heart  
Look in your soul

So they say  
So the well-fed say  
Look in your heart  
Look in your soul

What the well-fed don't say  
Look at the world if you want to know why we go bad  
Change the world  
Don't look in your heart  
Don't look in your soul

If people are cruel then look at what makes them cruel  
Just look outside where the struggle is going on  
Don't look in your heart  
Don't look in your soul

That they don't say  
That the well-fed don't say  
Don't look in your heart  
Don't look in your soul  
Don't look in your heart  
No you haven't got a soul
