This lot won't take no for an answer
Violence is the only language they understand
They'll give up nothing without a fight
A few crumbs from the table is all we'll get

We want a strike but if you want more
Well you will have to put an end to them

You'll have to put an
You'll have to put an end to them

This love won't take no for an answer
Violence is the only language they understand

Oh you will have to put an end to them
You'll have to put an
You'll have to put an
You'll have to put an
You'll have to put an end to them
