Turn around, could you be
The one and only love for me
Don't be cruel, cold as ice
Every word is true , I tell no lies

Oh, everybody is looking at you
Here I am got something special for you
Don't you wait for a sign from above
So come on baby let me show you love

Do it to me
Do it to me
Do it to me
Do it to me

Can't you see, you're the one?
And you know our time has just begun
Take my world on a bed
I'm a kind of God who patience dead

Oh yeah, and you're away afraid of falling in love
What you need I got it for you and its more than
enough
This is your chance, so take it right away
You better listen what I got to say

Do it to me
Do it to me
Do it to me
Do it to me

Every body is looking at you
Here I am got something special for you
Don't you wait for a sign from above
So come on baby, let me show you love

Do it to me
Do it to me
Do it to me
Do it to me

Do it to me

Do it to me
Do it to me
Do it to me
Do it to me
