Baby here I am
I'm the man on your scene
I can give you what you want
But you gotta' come home with me

I forgot some good old lovin'
And I got some more in store
When you've got been throwin' it up
You gotta' come back for more

Boys and things that comes by the dozen
That ain't nothin' but ten cent lovin'
Hey, little thing let me light your candle
'Cause mama I'm so hard to handle now
Yes I am

Well, I don't want to declare any words
'Cause I'm a man with a great experience
I know you love another man
But I can love you much better than him

So won't you take my hands and don't be afraid
I'm gonna prove Baby what I've been sayin'
I'm advertising love to anyone
So won't you follow me at that way

Boys come along that comes by the dozen
That ain't nothing but ten cent lovin' (drugstore call
boy)
Hey, little thing let me light your candle
'Cause mama I'm so hard to handle now
Yeah... So hard to handle now

Boys come along that comes by the dozen
That ain't nothing but ten cent lovin'
Hey, little thing let me light your candle
'Cause mama I'm so hard to handle now
Yeah... So hard to handle now
