Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Met a girl and wrote a letter - to get her
Asking her if she could fill a hole in my heart
Now I got myself all messed up - just my luck
That she won't be buying
And I should stop trying

Bought myself a brand new logo - it's HUGO
But she don't notice me - no matter how hard I try
Looked into a super hair-do - as you do
Kidding myself I'm a much cooler guy

Chorus

And here she comes again
She's my one out of ten
I love her endlessly
But she don't me

Maybe she thinks I'm a loser - to choose her
But I can't seem to get her out of my mind
Is it I'm dressed like a dummy - oh honey,
I'm not that outdated just so underrated

Got a feeling like a phoney - baloney
But I'd die for her if she would only be mine
Just one look this way would do me - truly
You say hello before you say goodbye

Chorus

And here she comes again
She's my one out of ten
I love her endlessly
But she don't me
