I feel lonely, lo-lo-lo-lo-lonely  
You're the one and only  
That makes me feel so blue  
I feel lonely, lo-lo-lo-lo-lonely  
You're the one and only  
That makes my dreams come true

All across the universe  
Every boy and every girl  
Is looking for this thing called love  
So why do all the other guys  
Got pretty women by their side  
Some guys really can't complain

Every night I lay awake and cry  
I'm missing someone to stand by my side

I feel lonely, lo-lo-lo-lo-lonely  
You're the one and only  
That makes me feel so blue  
I feel lonely, lo-lo-lo-lo-lonely  
You're the one and only  
That makes my dreams come true

I feel lonely  
So lonely

It's not easy to fall in love  
So I pray to God above  
Lord, I need a helping hand  
Hey Mr DJ, play this song  
I've felt lonely for so long  
This is my S.O.S. for love

All the time I got it on my mind  
Someone to hold me tight is hard to find

I feel lonely, lo-lo-lo-lo-lonely  
You're the one and only  
That makes me feel so blue  
I feel lonely, lo-lo-lo-lo-lonely  
You're the one and only

That makes my dreams come true

I feel lonely

So lonely

I feel, I feel, I feel so lo-

I feel, I feel, I feel so lo-

I feel, I feel, I feel so lonely, girl

I feel, I feel, I feel so lo-

I feel, I feel, I feel so lo-

I feel, I feel, I feel so lonely, girl

I feel lonely, lo-lo-lo-lo-lonely

You're the one and only

That makes me feel so blue

I feel lonely, lo-lo-lo-lo-lonely

You're the one and only

That makes my dreams come true
