Oh yeah, oh, oh, ho

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

Sweet little girl, you and me together
Is all I'm dreamin' of, oh yeah
Just one look and then I knew
All I'm longin' for is you

Oh, all alone, I'm standin' at the phone now
There is no one callin', no one callin'

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

Please forgive me, but I can't resist you
There is so much I would do for you
Your tender kiss, and your pretty smilin'
Is the only thing I need, oh yeah

Don't forget what I'm feelin' for you
Baby, I can't live without your lovin'

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love
Oh yes, I do, for ya love

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love
(Oh, I'm still waitin' for ya love)

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

I'm still waitin' for ya
Oh, I'm still waitin' for ya
I'm still waitin' for ya love

Hey, little girl, little, love me tonight
Hey, little girl, I wanna hold you tight
Hey, little girl, you bring joy in my life
(Joy in life)
And when you walk away, it hurts like a knife

Hey, little girl, little, love me tonight
Hey, little girl, I wanna hold you tight
Hey, little girl, you bring joy in my life
(Joy in life)
And when you walk away, it hurts like a knife

Hey, little girl, little, love me tonight
Hey, little girl
