Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Verse 1

Ain't it strange how we keep missing each other
Connecting not enough, we let it be
So wide awake but no eyes for one another
There must be a bridge that brings you nearer to me

Chorus

Let's get closer again
I wanna feel your touch
Let's get closer again
I need you so much
It doesn't hurt now and then
Let's give it a try
Let's get closer again

Verse 2

I always wonder how we keep it together
Although you laugh
I know it brings you down
I tried to cover up
But I'm not that clever
I'm only half the man when you're not around

Bridge

We fall in this great big divide
avoiding each other
we both run and hide
I'm sure that one look at your smile
There ain't nothing better
Let's get closer tonight

Chorus

Let's get closer again
I wanna feel your touch
Let's get closer again
I need you so much
It doesn't hurt now and then
Let's give it a try
Let's get closer again
