Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Verse 1

OLIYE.. will tell if you're lying
OLIYE.. gonna tell me what's wrong.
When nobody else can see you've been crying
maybe myself can help you along

Oh yeah and I know, I've seen it before,
You hide your problem, you're really not sure.
Come on tell me, you might be surprised
OLIYE

Verse 2

OLIYE.. will show if you're trying.
OLIYE.. gonna show that I care.
Whenever you think there's no one to lean on
Don't you forget I'm always there.

Oh yeah and I know, I've seen it before,
You keep your secret, you're really not sure.
Why don't you take off that worn-out disguise?
OLIYE, OLIYE.

Bridge

Time and time I see you there
Keep it all inside and then
struggle with your wounded soul
think I don't know

Making out there's nothing wrong
I've known you far too long
A problem shared is a problem halved
And it's time to laugh

OLIYE I know what's on your mind
OLIYE I know what's on your mind

Verse 3

OLIYE.. will tell if you're lying
OLIYE.. gonna tell me what's wrong.

When nobody else can see you've been crying
maybe myself can help you along

Oh yeah and I know, I've seen it before
You've got your reasons, you're really not sure
So come and tell me never think twice
OLIYE
