If you think I've let you down  
Tried to fool you  
There's no need to  
If you think I've played around  
Why'd you worry  
You should know me  
I've been true right from the start  
You're the owner of my heart

If you look straight in my eyes  
You will know I'm not pretending  
I don't hide, there's no disguise  
Why you doubt me, that's a strange thing  
I've been true right from the start  
You're the owner of my heart

I can't stand by watching you walk away  
Knowing you still belong with me  
Close by my side  
You think I don't care  
But forever, I swear  
Ooh, my love has grown stronger  
And that I can't hide  
I've been true right from the start  
You're the owner of my heart

OohÂ...

I've been true right from the start  
You're the owner of my heart

Oh, oh, no one can tell me  
Cause I know for sure  
When I'm not with you, baby  
I'm wasting my time  
I'll do anything that you want me to do  
Ooh, just call out my name  
Can't she give me a sign  
Give me a sign, oh, oh

If you just give me some time (some time)  
To convince you

We can pull through (we can pull through)  
Let me see what's on your mind (on your mind)  
I won't change you, I don't have to  
I've been true right from the start (oh, oh, oh)  
You're the owner of my heart  
I've been true right from the start  
You're the owner of my heart  
I've been true right from the start  
You're the owner of my heart
