I met a girl in a dream, she was seven feet high
I said: whatcha' doing here acting so fly
She ask me: I'm a Beautiful? i said: for sure.

she give me a "hey" and we were out the door
a few minutes later we enter her room
everything everything full on facinating gloom.
I met a girl in a dream, she was seven feet high
I said: whatcha' doing here acting so fly
She ask me: I'm a Beautiful? i said: for sure.

She give me a "hey" and we were out the door
a few minutes later we enter her room
everything everything full on facinating gloom.
