if i had a gun I'd shoot you in the head
if i had a knife I'd rip it out your heart
that's just how much you make me mad
red's the color of my rage

red's the color of my rage
I'm seeing red I'm seeing red
you've hurt me bad
and made me mad
i wanna revenge but i won't
cause revenge won't make me better than you

if ya heart was breaking I'd probably just ignore
say its what you deserve for all the suffering you've
caused
that's just how much you make me mad
red's the color of my rage
