A lonely mother gazing out of her window
Staring at a son that she just can't touch
If at any time he's in a jam, she'll be by his side
But he doesn't realize he hurts her so much
But all the praying just ain't helping at all 'cause he
can't seem to keep
His self out of trouble so he goes out and he makes his
money
The best way he knows how another body laying cold in
the gutter, listen to me
1-Don't go chasing waterfalls
Please stick to the rivers and the lakes that you're used
to
I know that you're gonna have it your way or nothing at
all
But I think you're moving too fast
Little precious has a natural obsession
For temptation but he just can't see
She gives him loving that his body can't handle
But all he can say is baby it's good to me
One day he goes and takes a glimpse in the mirror
But he doesn't recognize his own face
His health is fading and he doesn't know why
3 letters took him to his final resting place y'all don't
hear me?
(rpt 1)
I see a rainbow yesterday, but too many storms
Have come and gone leavin' a trace of not
Good-given ray, is it because my life is ten
Shades of gray, I pray all ten fade away
Seldom praise Him for the sunny days
And like His promise is true only my faith can undo
The many chances I blew to bring my life to anew
Clear blue and unconditional skies have dried the tears
from my eyes
No more lonely cri endurin' pain that it keeps 'em in the
pourin' rain
Who's to bl a shame you shoot and aim for someone
else's brain
You claim the insane and name his day in time
For fallin' prey to crime, I say the system

Got you victim to your own mind
Dreams are hopeless aspirations in hopes
Of comin' true, believe in yourself
The rest is up to me and you
