"So Cold"

Oh, you can hear me cry
See my dreams all die
From where you're standing
On your own.
It's so quiet here
And I feel so cold
This house no longer
Feels like home.

Oh, when you told me you'd leave
I felt like I couldn't breath

My aching body fell to the floor
Then I called you at home
You said that you weren't alone
I should've known better
Now it hurts much more.

You caused my heart to bleed and
You still owe me a reason
I can't figure out why...
Why I'm alone and freezing
While you're in the bed that she's in
