Baby, won't you please come home,

You know you left; your daddy's all alone,

I have tried in vain

Never no more to call your name.

When you left, it broke your daddy's heart,

That will never make us part,

For every hour of the day

You can hear me say,

"Baby, won't you please come home!

Daddy needs Mama!

Baby, won't you hurry home!"

Baby, won't you please come on home, home,

You know you left your daddy all alone,

I have tried in vain

Never no more to call your name.

When you left, it broke your daddy's heart, heart,

That will never make us part,

Never to make us part

For every hour in the day

You can hear your daddy say,

"Ah, baby, won't you please come on home!

Daddy needs Mama!

Baby, won't you please come home!"
