Here I am  
A grain of sand washed on the beach of your land,  
Is this what it means to be make believe.  
This machine can clip my wings  
While the lionheart chior begins to sing.  
Breaking free from reflections of me.

Don't tell me you'll be there if you are lying.  
Don't tell me that you care if it's not true.  
Cause I'm the only one,  
I'm the only one that was trying,  
To get this message back to you.

If these walls could talk,  
They would beg to be brought down,  
So I could finally be set free.  
If these walls could talk,  
They would beg to be brought down.  
So I could finally be set free.  
Then maybe I'd see you differently.

The clock unwind's to leave behind,  
Everything you trapped in your mind.  
Underneath, are you listening?  
We will show the ground below,  
How to fight the waves and not let go.  
Is this what it means to be lost at sea?

Don't tell me you'll be there if you are lying.  
Don't tell me that you care if it's not true.  
Cause I'm the only one,  
I'm the only one that was trying,  
To get this message back to you.

If these walls could talk,  
They would beg to be brought down,  
So I could finally be set free.  
If these walls could talk,  
They would beg to be brought down.  
So I could finally be set free.  
Then maybe I'd see you differently.

And I breathe in just to let out sighs.  
Barely breathing, just to realize.  
That I breathe in just to let out sighs.  
Barely breathing, just to realize.  
When it's fight or flight we will fight tonight.  
We're getting closer to the light.  
We won't back down if it's wrong or right.  
Together we'll burn up the sky.

If these walls could talk,  
They would beg to be brought down.

If these walls could talk,  
They would beg to be brought down,  
So I could finally be set free.  
If these walls could talk (ohhh)  
If these walls could talk (ohhh)  
If these walls could talk (ohhh)  
Ohhh
