Verse 1

For everyone who's having more fun than me tonight,
Know this like you once knew God, I want to eat you
alive
And for everyone who's feeling beautiful and loved
tonight
Know with utter certainty that all that's good in your life
is going to die

Chorus

No time for subtlety
(I'm gonna ride with Kali tonight!)
Look into the abyss, it looks back at me
(On the ride with Kali tonight!)
I'll learn to love brutality
(When I ride with Kali tonight!)
1st: Look into the abyss, somewhere in there is me
2nd: And we've both become what she wants us to be
(On the ride with Kali tonight!)

Verse 2

Yeah, I've danced with Kali before, back then I was
underfoot
That was long before I woke up, before I understood
That there's a sacred silence in clamor, and there's a
certain beauty in wrath
And there's a kind of ecstasy that comes from your
knife in my back

(CHORUS)

Bridge

And I see our childhoods huddled together on an
endless stretch of ice
Confused and grieving forever at our empty sacrifice
And I feel a darkness rising and you know I know wrath
And there's a certain beauty in it and what it leaves in
its path

And I see our childhood float away on an empty stretch
of ice

Heartbroken, pleading forever, please don't make this
sacrifice
And I feel a darkness rising and you know I know wrath
And there's a certain beauty in it and what it leaves in
its path

Outro

I'm living in the shadow
Of the wing of the thing that's too big to be seen

So I ride
with Kali tonight.
