I got young jaws givin' great head  
I got old heads that break bread  
Wit' they legs spread on the daybed  
Chinese chicks on some Siamese shit  
Two-a-time/One grind one ride the dick  
I got college girls gon' wild  
Runnin' out to the store  
For more condoms when they run out  
Black chicks/White chicks  
Fat chicks/Nice and thick  
Rich chicks/Icy pricey bitch  
Got broke jaws eatin' three wings and fried rice  
Hustle to the coke/Gone in jeans and white Nikes  
Got Puerto Rican stripper chicks lickin' dicks  
Get the keys to ya whip  
What's the reason you whipped?  
Why you give me ya chips?  
Is you stupid or what?/Naw!  
I need the loot for the stuff  
The coochie enough?/Naw!  
I need a ride to the stu'  
Scoop me or what?/Naw!  
I got two like you with a Coupe and a truck, uh

[Chorus]

[Baby Blak]

I got so many ladies I can't help but say no (No, no)

[Female singer]

Ooh, ooh, we love you, B. Blak

[Baby Blak]

I got jaws up at the bar with black & tans that wanna  
fuck  
Got chickens from the Northeast out to Man-i-yunk  
(Yep)  
Got chickens out in France come and dance at the club  
Get 'em home to get 'em out they pants and fuck  
I got jaws in North and South Jersey  
That put it in they mouth Herbie  
I got a slick chick from New York  
She kinda thick and like to puff Newports  
Give head lick ass and love to suck on balls  
I fuck wit'challs  
Not the sick type that suck on Halls  
Pussy too deep and you ain't got no walls  
Gots Culver City women that be givin' house calls  
Santa Monica/Sniffin' 'bout a ounce of the raw  
I got bitches that cop trees  
Bitches that pop E's  
Bowlegged and they knock-kneed  
I got bitches that rock weaves  
Chickens with rock sleeves  
In other words these chickens got sheaves  
Huh?

[Chorus]

[Baby Blak]

Ayo  
I got this Chicano chick with some big-ass lips  
I got this Detroit chick with some big-ass twists  
That wanna fuck e'erybody  
And my cleavage in Cleveland  
Wanna suck everybody/Wanna love everybody  
I had chicks with the fake-ass titties and contacts  
For the eight-fifty off the contract  
For Quake City Slime Blak  
For the foot-works and dime sack  
Massaging my head and my back/I'm that  
The essence of a pimp  
Nigga, well, I'm that  
Shit, I walks with a limp  
Stroll like Sherman Hemsley  
Got bitches smokin' sherm with gingy  
Ale and Remy/Henny & Coke  
And yoke/With they nails up in me  
Yeah, I trick on chicks on sale  
A penny for your thought/I got a dime  
Ten-piece/Let 'em shine  
Kiss me on my cheek/Say they miss me for a week

'Cause I was out in Cali with this big-butt freak  
Like Scott told Kris when they was B.D.P  
Niggas got me changing my name to B.B.B  
Baby Blak Bonneville/'Cause I need three  
Two-packs of Blacks and W-E-E-D  
Tongue-rings/Navel rings  
Nipple rings/Belly-chains  
Pussy rings/Tattoos  
Mad dudes on the brain  
Y'all could bust nuts in them guts  
(Shit) I want the change  
Head-rush off the dust  
And I take they Range  
Leave 'em stuck  
Make 'em fuck off M.D.M.A.  
Hoes with holes-in-one like LPGA's  
Star 'bout to bruk out  
They tellin' me to stay  
Eyes rollin'/Shit, I'm like just an EL away

[Chorus]
