this mike is my weapon  
my flow is the bullets

so stick up put your hands up  
Ben G

let's go  
livin in the ..tryin to get it on  
but sleepin in the celly show me what it was wrong  
yeah it's logical that obstacles are making..impossible  
and feel yuo maybe probable  
but I compose what it takes to win breaking in  
like third degree burglary you cannot ..murder me  
rapper talk to..they could all pass a ..  
holla at back f you think you're ready  
if you badder than better shit come on and stash it the  
..  
the haters get the finger like fredy  
I keep to see and I steady for you pedy mother f\*ckers  
heavy in this..smoking on the bad switch hungry like a  
bad..  
bitch funny like .. chilling to the max what a ..for my  
back  
..for the rest  
for the ..by stack

Hook:  
...everybody get down  
is a thick up and now get your hands up  
...everybody get down  
is a thick up and now get your hands up  
...everybody get down  
is a thick up and now get your hands up  
...everybody get down  
is a thick up and now get your hands up

the introduction seat back relax and smoke something  
got that funny..so pay up you want something  
I can smell that you're coming go hustling  
faster after stacks  
new budget all money after that is face to that

bitch like you stole from me  
and you..when they ground like you hold something  
and watches what I do with it and you can be a bull with  
it  
I know I have the rules go..but I still play too cool, with it  
yes I bet I keep it believe it  
but I watch what you're thinking the I go teaching  
the triple go G shit snoop the ..  
in a bangle wee smoking on the ..that is G shit  
I live what I be dreaming what you're thinking  
I'm thinking it's a bad look  
opportunity passed up you can hold you messed up  
I'm coming home a little late I'M here to make my place  
believe they say we ..

[Hook:]

Wally, Ben G

Look at me ..don't told my..  
f\*ck that I ain't going no drop  
..I'm coming .shit  
this is what it is man  
..real flat..the ouch no more  
is been a long time and spoke on the proper..  
with the youngest..you know what I mean style  
and have nothing no respect for the microphone  
..hip hop you understand  
fully .. out her  
.. phone call domestic
