No one takes a fall  
Quite as hard the second time around  
I don't know at all  
But i know it's surely what i have found  
I need you to release me  
Forgive me if you think that i was wrong  
Put your arms around me, honey  
Make me feel that it's alright  
Nothing could be darker than this long and ugly fight  
Down to the ground we fall  
Just like leaves from a tree  
We fall  
And i hear you callin to me  
Cry Baby  
Who knows what you're hiding  
Howlin in the fortress of your mind  
Who knew i'd be feelin  
Feelin like this ain't too far from dyin  
Life is made for change  
Well I know that that's what you will say  
You know i believe you, honey  
I don't know why i still cry  
Maybe it runs deeper than what only meets the eye  
Down to the ground we fall  
Just like fallin leaves from a tree  
We fall  
And i hear you callin to me  
Cry Baby  
Cry Baby  
Take me by the hand  
Lead me up the stairway  
I've been here before  
I know what you will say  
I 've been on a long road  
I got in too deep  
Got no room for maybes  
I can hear you sayin...Cry Baby  
Cry Baby  
Down to the ground  
We fall  
Just like fallin leaves from a tree  
We fall

And i hear you call me cry, cry, call me Cry Baby  
Cry Baby  
Cry Baby  
Cry Baby  
Cry Baby  
Cry Baby
