Is there a reason why
You're so handy with the knife
You cut me up inside
Then say you love me like your life
I try to defend my self respect
But it's gettin' harder when
Always think that you know best

Your love is windin' me up
Your love makes push come to shove
Your love is windin' me up
Baby, I can't get enough

I have spent the whole night cryin'
After one of your remarks
You set me up like you're tryin'
To see if I will fall apart
I'm a fool in this story
An' it seems I'll make you laugh
And you won't rest until you
Break my heart in half

Your love is windin' me up
Your love makes push come to shove, yeah
Your love is windin' me up
Baby, I can't get enough

Ooh, you're windin' me up

Your love is windin' me up
Your love makes push come to shove
Your love is windin' me up
Baby, baby, baby
I can't get enough, no, no, no

Your love is windin' me up
Your love makes push come, push come to shove, man
Your love is windin' me up
Baby, I can't get enough, enough, now, now

Your love is windin' me up
Your love makes push come to shove

Your love is windin' me up
Baby, I can't get enough
