Creature of tears, creature of fear  
Waiting for a chance, waiting to disappear

She doesn't know where to go  
She's alone on her way  
Her eyes like a burned out bulb  
Her steps like a closed door to heaven

A single tear lasting on her face  
Tell her why she walks on disgrace  
She's so lovely to see

Another lost dream she's to be

Loneliness in her heart  
Waiting for a place to start  
To be in love  
And not apart, waiting to disappear

She's waiting for you  
She's waiting for someone to care  
Until the end of time  
Until death says: You are mine

No more hope to stay
